FOUNDER / ACADEMY DIRECTOR
DEMIR VAVAN

“Future Pro International (FP INT) bridges the gap between academy and professional football for young talented 16 – 23 year olds. Our bespoke professional development programme offers both football excellence and high quality education for players who are interested in taking their game and career to the next level. Our tried and tested methods have been implemented over the past 10 years working with some of the UK’s most exciting talent. This includes athletes who have gone on to play at the highest levels of the game at senior Premier League, Football League and International level.

We provide a number of education courses including the NCFE Sports studies qualification along with English Language and training courses. We also provide a range of higher education degree courses for students, including the HNC Level 4 and HND Level 5 Sports Coaching & Management pathway with a top up BSc

Sport Management Level 6 degree. Players have the opportunity to attend Future Pro Academy for a minimum of two weeks and a maximum up to one year where players can select their own bespoke training programme for football only or football with education.

Our programme covers all elements of the game including attacking, defending and position specific topics focusing on developing players in and out of possession along with transition phases of the game. Using the latest technology and data working with established partners within the sports industry, FP INT focuses on improving each players technical, tactical, physical and psychological profiles to reach optimal performance. If you are ready to take your game to the next level and relish a challenge, our bespoke packages will be able to help you fulfill your goals being in a full time professional football environment with industry leading experts.”

ADDITIONAL PACKAGE INFO

Football is a team game and the academy aims to improve both the individual and squad's performance covering all areas of the game. Studies have shown it can take foreign players time to adapt to the English style of play and coming from overseas whether that's Europe or long-haul we recommend our 12 week, 18 week and one year packages which will allow you more time to develop and be ready to showcase your talent. You will see an improvement in your game if you plan on attending our short courses which will enhance your performance individually and work with our coaching team. You will still be able to train and play like a professional every day on our short courses and have bespoke opportunities.

PLAN ON EXTENDING YOUR STAY WITH US?

You may be invited to extend your stay with us, this will be offered after the initial 2-week assessment. We are not here to waste anyone's time and a full performance review will be completed after two weeks so we can ensure all players receive a tailored package to meet their individual needs.

TRANSPORT

Future Pro do not pay for any player's airport flights, costs or fees, this will be required to be paid by the player prior to attending the academy. Proof of flight bookings will be required to be shown to Future Pro for both arrivals and departure before you enter the academy. All academy players will be transported to and from training every day.

AIRPORT TRANSFER FEES

Birmingham - Pick up & drop off Included in the fee

It is preferable for you to travel to the Birmingham location, if you select to arrive and depart from any other airport a fee will be required. Rates for other destinations can be provided if requested.

KIT FEES

All players on 2-4 short week courses will be required to purchase training kit and you will each be assigned a training squad number during your time on the programme. We have teamed up with VESEY UK which offer the latest

Nike training products which is customised to FP on our very own website. All players attending our club membership packages will receive training kit.

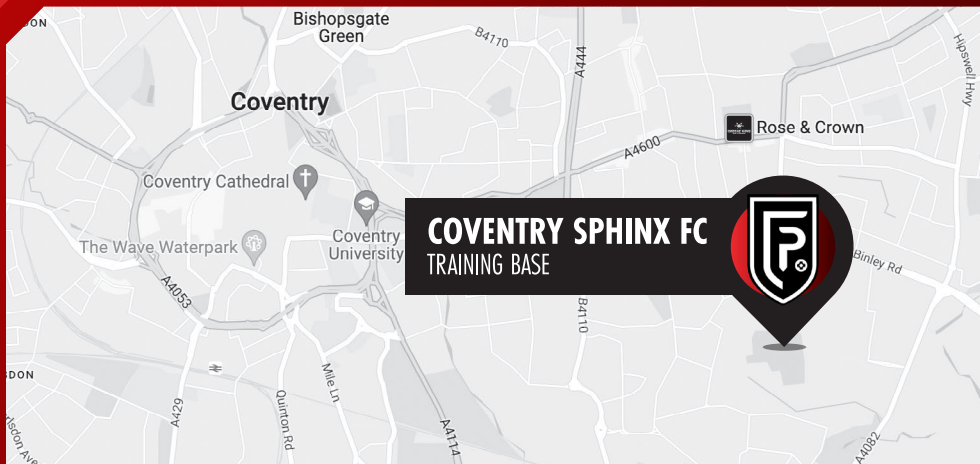

LOCATION

Coventry & Warwickshire is a tourist hotspot with world class attractions and is renowned for being a culturally diverse city and was most recently awarded the city of culture in 2022. The academy is based conveniently near all local transport links and is an ideal location

being central to explore England. Whether you are visiting us on a short course or here for a year Coventry and its surrounding county Warwickshire has everything you need for a comfortable enjoyable stay.
